Plaintiff,

v.

NO. C 12-02235 JW

Garmin Int'l., Inc., et al.,

**ORDER FOLLOWING CASE
MANAGEMENT CONFERENCE**

Defendants.

v.

Polar Electro, Inc.,

Defendant.

v.

Casio America, Inc.,

Defendant.

On May 14, 2012, the Court held a Case Management Conference in the above-captioned matters. Counsel for all parties were present. Pursuant to the discussion at the Conference, the Court ORDERS as follows:

- (1) A hearing on a Motion to Dismiss in one of the above-captioned cases is currently scheduled for June 11, 2012.¹ Insofar as any other Defendant wishes to oppose a current Complaint via a Rule 12(b)(6) motion, that Defendant shall join in the Garmin Motion. The parties shall stipulate to an expedited briefing schedule.
- (2) The Court sets **July 9, 2012 at 10 a.m.** for a further Case Management Conference in these cases. On or before **June 29, 2012**, the parties shall file a Joint Case Management Conference Statement including, *inter alia*, discussion of the status of discovery and proposals for further scheduling.
- (3) The Court adopts the parties' proposed schedule² as to the following events:
 - (a) On or before **May 21, 2012**, the parties shall exchange Initial Disclosures.
 - (b) On or before **May 28, 2012**, Plaintiff shall serve its Damages Contentions.
 - (c) On or before **June 11, 2012**, Defendants shall respond to the Damages Contentions.

The Court declines to schedule any further dates as premature at this time. At the July 9 Case Management Conference, the Court will schedule further dates as necessary.

Further, the Court would wish the parties, in their initial discovery, to focus on the issues identified at the May 14 Conference—including issues relating to notice, damages and the issue of laches—so as to enhance the possibility that this case may be suitable for early resolution.
